Dear *Sunday Afternoons at CBS* 2019-20 Season Ticket holders:

Sunday Afternoons at CBS wants to Thank You, our loyal and appreciative season and individual ticket holders, who have supported us through our past 28 years. We love bringing outstanding, talented musicians to the Modesto/Stanslaus Community, and our 29th Season artists are looking forward to sharing their amazing talents with you as soon as in-house, local, state, and national health officials and agencies deem it safe for us to welcome you back.

Because of the COVID-19 pandemic, we have postponed and will reschedule the last two concerts of the 2019-2020 (28th) Season. We want to honor our season and individual ticket holders who have purchased tickets to the Opera Modesto and California Zephyr concerts by offering the following options:

1. A Credit toward our 2020-2021 season.
2. An opportunity to support live music in Modesto at *Sunday Afternoons at CBS* by donating the amount of the two concerts to the series. (All donations are tax deductible 501(c)(3) #940475315.)
3. A full refund for the two remaining 2019-20 concerts. The amount of credit, refund, or donation per ticket would be:
 - \$20 per Adult ticket
 - \$18 per Senior or Student ticket

Please call 571-6060 by August 31 to indicate your choice. Those who do not indicate a choice will be credited with a non-profit donation for the number and types of tickets they hold.

We look forward to seeing you in person at *Sunday Afternoons at CBS*. In the meantime stay safe, wear masks, be physically distanced in public, wash your hands often, and look on the bright side (yes, there is much good to focus on in these challenging times).

Be sure to Like our Facebook page and check our website for updates.

With much gratitude,

Tina Arnopole Driskill, *Director*
